Volume 29 Number 10
October 2024

The only monthly journal dedicated to nursing in the home

A microscopic view of numerous red blood cells, appearing as biconcave discs, scattered across a reddish-orange background. The cells are in various orientations and focus, creating a sense of depth and movement.

**Wearable cuffless blood pressure
monitoring devices: a commentary**

**Medication management: how medication review
improves lives and reduces waste**

Patient-centred stoma care support: colostomy patients
