Children & Young People Now is a magazine and website for professionals working at all levels with children, young people and families. The magazine provides in-depth analysis, opinion and articles on best practice, targeting managers and senior practitioners involved in the commissioning and delivery of services. The website provides a breaking news service throughout the day for all practitioners and a host of resources, including information on careers and funding.

The paper used within this publication has been sourced from Chain-of-Custody certified manufacturers, operating within international environmental standards, to ensure sustainable sourcing of the raw materials, sustainable production and to minimise our carbon footprint.
