GERIATRIC NURSING

VOL. 42, NO. 3 May/June 2021

EDITORIAL

- A1** **The impact of COVID-19 on building the next generation of caregivers focused on care of older adults**

Barbara Resnick

FEATURED ARTICLES

- 613** **Managing apathy among people with dementia living in institutional settings: Staff's perceived gap between common and best practices**

Feliciano Villar, Karima Ghacur, Montserrat Celdrán, and Rodrigo Serrat

- 621** **Loss of benefits after cessation of exercise interventions in nursing home residents: randomized controlled trial follow-up**

Ana Rodriguez-Larrad, Haritz Arrieta, Chloe Rezola-Pardo, Izaro Esain, Pablo Mendia-Oria, and Jon Irazusta

- 628** **Development of a self-assessment behavioral and psychological symptoms of dementia competency scale for care teams at long-term geriatric care facilities**

Noriko Maeda, Yumiko Tsutsumi, and Sayoko Niwa

- 635** **A multidisciplinary Telehealth approach for community dwelling older adults**

Rosaria De Luca, Michele Torrì, Alessia Bramanti, Maria Grazia Maggio, Smeralda Anchesi, Adriana Andoloro, Santina Caliri, Maria Cristina De Cola, and Rocco Salvatore Calabrò

- 643** **Back pain and heart failure in community-dwelling older adults: Findings from the Health ABC study**

Jie Chen, Yiming Zhang, Eleanor Simonsick, Angela Starkweather, Ming-Hui Chen, Paula McCauley, Deborah Chyun, and Xiaomei Cong

- 650** **Effect of a group music intervention on cognitive function and mental health outcomes among nursing home residents: A randomized controlled pilot study**

Hyun-Sil Kim, and Jin-Suk Kang

- 657** **A systematic review of interventions to improve acute hospital care for people with dementia**

Melanie Karrer, Angela Schnell, Adelheid Zeller, and Hanna Mayer

- 674** **Impact of state scope-of-practice laws on nurse practitioner-provided home visits**

Zainab Totah Osakwe, Ryung S Kim, Chinedu U Obioha, Jennel C Osborne, Nafin Harun, and Rose Saint Fleur-Calixte

- 681** **Conversations about wellness: A qualitative analysis of patient narratives post annual wellness visit**

Vicki Simpson, Nancy Edwards, and Melissa Kovich

- 687** **A predictive model of the perceptions of patient-centered care among nurses in long-term care hospitals: A cross-sectional study**

Myonghwa Park, Hyun Jeong, and Thi-Thanh-Tinh Giap

GERIATRIC NURSING

VOL. 42, NO. 3 □ May/June 2021

- 694 A qualitative analysis of clinicians' communication strategies with family members of patients experiencing hospital-acquired delirium**

Greenberry B. Taylor, Nila Radhakrishnan, Carla L. Fisher, Catherine Price, Patrick Tighe, Tien Le, and Carma L. Bylund

- 700 Relationships between frustration intolerance beliefs, cognitive emotion regulation strategies and burnout among geriatric nurses and care assistants**

Catherine Potard, and Clémence Landais

- 708 Health congruence paradox in older adults: Contribution of cognition and relational visits**
