

GERIATRIC NURSING

Vol. 48 • November/December 2022 • www.gnjournal.com

Editor: Barbara Resnick, PhD, CRNP, FAAN, FAANP

IN THIS ISSUE

- Factors associated with kinesiophobia
- Mistreatment, abuse, and neglect in nursing homes
- Associations between everyday physical activity and morale
- Resilience, social connections, and internal locus of control with pain outcomes
- Acceptability of videoconferencing
- Tablet-based cognitive behavioral intervention to improve arthritis associated fatigue
- Resilience in relation to older adults with multimorbidity
- A program for volunteers to improve the quality of emergency department care
- Effects of oral health intervention strategies on cognition and microbiota alterations
- Change in frailty status during the COVID-19 pandemic
- Smartphone use and willingness to increase digital skills
- Role of frailty in the effect of fear of falling avoidance behavior
- Changes in Internet use during the COVID-19 pandemic
- Dietary diversity, diet quality, and oxidative stress
- Nocturia severely impairs the sleep quality
- Impact of a magic recreation program
- eHealth interventions for the informal caregivers
- Older adults' experiences using Alexa
- Social withdrawal in Parkinson's Disease

EDITORIAL

- A1** **The National Academies of Science, Engineering and Medicine report (NASEM) addressing quality of care in nursing homes**

Barbara Resnick

SPECIAL ISSUE ON TECHNOLOGY IN GERIATRIC NURSING

- 65** **Acceptability of videoconferencing to preserve the contact between cognitively impaired long-term care residents and their family caregivers: A mixed-methods study**

Marie-Soleil Hardy, Chaimaa Fanaki, Camille Savoie, Clémence Dallaire, Mashelle Wilchesky, Maria Cecilia Gallani, Marie-Pierre Gagnon, Maude Laberge, Philippe Voyer, André Côté, Vincent Couture, and Bernadette Dallaire

- 80** **Tablet-based cognitive behavioral intervention to improve arthritis associated fatigue: A pilot study**

Jeungkook Choi, Sarah Fiske, Woo Jung Choi, and Jean Lemieux Cody

- 118** **The new role of nursing in digital inclusion: Reflections on smartphone use and willingness to increase digital skills among Chinese older adults**

Tianjiao Ma, Siyu Zhang, Siying Zhu, Jingqi Ni, Qiqi Wu, and Mingzheng Liu

- 145** **Have changes in Internet use during the COVID-19 pandemic affected older adults' self-rated health? A cross-sectional study of young-old and old-old populations in Korea**

Jakyung Lee, and Soong-nang Jang

- 183** **Exploring urban empty-nesters' using WeChat influencing factors and quality of life: A qualitative descriptive study**

Yang Yu-ting, Yao Miao, Yang Yong-wei, Ye Qiong, and Lin Ting

- 203** **eHealth interventions for the informal caregivers of people with dementia: A systematic review of systematic reviews**

Linh Khanh Bui, Myonghwa Park, and Thi-Thanh-Tinh Giap

- 237** **Effects of multidomain interventions on skeletal muscle architecture and function in pre-frail older women: The WiiProtein study**

Jarbas Melo Filho, Simone Biesek, Audrin Said Wojciechowski, Gabriela Almeida Tormes, and Anna Raquel Silveira Gomes

- 247** **Older adults' experiences using Alexa**

Sarit Orlofsky, and Kathryn Wozniak

- 269** **Effects of a virtual reality intervention on dementia care education among acute care nurses in Japan: A non-randomised controlled trial**

Yuko Yamaguchi, Hirochika Ryuno, Atsuko Fukuda, Sonoko Kabaya, Tokiko Isowa, Mayuko Hiramatsu, Akiko Kitagawa, Yuka Hattori, Akiko Williamson, and Chieko Greiner

- 280** **Psychometric properties of the MOBITEC-GP mobile application for real-life mobility assessment in older adults**

Eleftheria Giannouli, Eun-Kyeong Kim, Cheng Fu, Robert Weibel, Alexandros Sofios, Denis Infanger, Erja Portegijs, Taina Rantanen, Haosheng Huang, Arno Schmidt-Trucksäss, Andreas Zeller, Roland Rössler, and Timo Hinrichs

320 What information about choosing a nursing home is available on YouTube?

SeolHwa Moon, Juyeon Oh, and Sun Young You

FEATURED ARTICLES

1 Fear of contamination among older adults in the post-COVID-19 era

Eman Alhalal, Zaineb Alkhair, Fatimah Alghazal, Fatema Muhaimeed, and Rehab Halabi

8 Factors associated with kinesiophobia in Chinese older adults patients with osteoarthritis of the knee: A cross-sectional survey

Mingyang Tan, Yanping Liu, Jingyan Li, Xiaofu Ji, Yinghan Zou, Yanli Zhang, and Hongyu Li

14 Does the provision of informal care matter for caregivers' mental health? Evidence from China

Hongli Fan, Xiaohui Zhang, Yingcheng Wang, Zixuan Peng, Lanlan Chu, and Peter C. Coyte

24 "They just did what they usually do": Mistreatment, abuse, and neglect in nursing homes from the perspective of Ministry of Health auditing teams

Sagit Lev, Pnina Dolberg, and Barbara Lang

32 Factors associated with nursing home direct care professionals' turnover intent during the COVID-19 pandemic

Verena R. Cimarolli, Natasha S. Bryant, Francesca Falzarano, and Robyn Stone

37 Associations between everyday physical activity and morale in older adults

Albin Dahlin Almeyvall, Patrik Wennberg, Karin Zingmark, Jerry Öhlin, Stefan Söderberg, Birgitta Olofsson, Sofi Nordmark, and Johan Niklasson

43 The association of resilience, social connections, and internal locus of control with pain outcomes among older adults

Shirley Musich, Shaohung S. Wang, James A. Schaeffer, Sandra Kraemer, Ellen Wicker, and Charlotte S. Yeh

51 Caregiving experiences of older family caregivers of persons with heart failure: A mixed methods study

Dawon Baik, Colleen Kelley McIlvennan, Christina Baker, and Heather Coats

58 Determinants associated with medical-related long-term care service use among community-dwelling older adults in Taiwan

Yuchi Young, Wan-Hsiang Hsu, Ya-Mei Chen, Kuo-Piao Chung, Hsiu-Hsi Chen, Cassandra Kane, Ashley Shayya, Patrick Schumacher, and Yen-Po Yeh

74 Training dementia care professionals to help caregivers improve the management of behavioral and psychological symptoms of dementia using the DICE Approach: A pilot study

Tammi Albrecht, Molly Schroeder, Tamara LeCaire, Sarah Endicott, Katelyn Marschall, Kristen Felten, Noelia Sayavedra, Sydney Russmann, Vince Kern, Mary C. Blazek, Helen C. Kales, Cynthia M Carlsson, Jane Mahoney, and Art Walaszek

85 Resilience in relation to older adults with multimorbidity: A scoping review

Hohyun Seong, Heather Lashley, Katherine Bowers, Sarah Holmes, Richard H. Fortinsky, Shijun Zhu, and Kirsten N. Corazzini

- 94** **A program for volunteers accompanying older patients with cognitive dysfunction to improve the quality of emergency department care: A pilot study**
Ulrike A. Gisch, Eike Ahlers, Denise Lee, Isabella Heuser-Collier, and Rajan Somasundaram
- 103** **Effects of oral health intervention strategies on cognition and microbiota alterations in patients with mild Alzheimer's disease: A randomized controlled trial**
Lili Chen, Huizhen Cao, Xiaoqi Wu, Xinhua Xu, Xinli Ji, Bixia Wang, Ping Zhang, and Hong Li
- 111** **Factors for the change in frailty status during the COVID-19 pandemic: A prospective cohort study over six- and 12-month periods in Japan**
Tomoyuki Shinohara, Kosuke Saida, Shigeya Tanaka, Akihiko Murayama, and Daisuke Higuchi
- 127** **How much time in sedentary behavior is associated with probable sarcopenia in older adults?**
Larissa Franciny de Souza, Ana Lúcia Danielewicz, Cassiano Ricardo Rech, Eleonora d'Orsi, Vanessa Amaral Mendonça, Ana Cristina Rodrigues Lacerda, and Núbia Carelli Pereira de Avelar
- 132** **The mediator role of frailty in the effect of fear of falling avoidance behavior on quality of life in older adults admitted to hospital**
Damla Öztürk, and Zülfinaz Özer
- 139** **Relationships among social support, self-efficacy, and patient activation in community-dwelling older adults living with coronary heart disease: A cross-sectional study**
Yaru Zhu, Yuting Song, YINUO Wang, Heqian Ji, Derong Wang, Shuo Cai, and Aimin Wang
- 150** **Type D personality, cognitive illness perception, depression, approach coping, and self-management among older adults in long-term care hospitals: Structural equation modeling**
Sunki Kim, Mona Choi, JuHee Lee, Heejung Kim, Kijun Song, and Hye-Ja Park
- 158** **Dietary diversity, diet quality, and oxidative stress in older adults**
Weijuan Kong, Ting Jiang, Yanhua Ning, Yahong Guo, Haiyan Liu, Xiongxiang LYU, and Meiman Li
- 164** **Nocturia severely impairs the sleep quality of nursing home residents: results from a multi-center study**
Rebecca Haddad, Veerle Decalf, Thomas F. Monaghan, Erik Van Laecke, Wendy Bower, An-Sofie Goessaert, Mirko Petrovic, and Karel Everaert
- 169** **Impact of a magic recreation program on older adults with minor depressive symptoms in a long-term care facility: A pilot randomized controlled trial**
Kuan-Ting Lee, Wei-Li Wang, and Yi-Ching Yang

- 177 Apathy co-occurs with subjective cognitive decline among community-dwelling older adults**
Qing Yang, Yuxin Wang, Mengshu Yang, Song Ge, Shiyao Cheng, Chuwen Wang, Wenya Zhang, Chong Tian, and Jing Mao
- 190 Cross-cultural adaptation and validation of the Chinese version of the loneliness scale for older adults**
Yuecong Wang, Shasha Li, Xiaoyue Zou, Lijun Xu, and Yingyuan Ni
- 197 Adapting the Connect-Home transitional care intervention for the unique needs of people with dementia and their caregivers: A feasibility study**
Mark Toles, Jennifer Leeman, M. Heather McKay, Jacquelyn Covington, and Laura C. Hanson
- 214 Coping with multiple chronic conditions among Chinese older couples: A community of shared destiny**
Liu Sun, Jun-E Liu, Meihua Ji, Yanling Wang, Shaohua Chen, and Lingyun Wang
- 224 Effects of social isolation associated with the COVID-19 pandemic on hip muscle strength, hip joint pain, and walking ability in patients with osteoarthritis of the hip joint**
Katsuhiko Maezawa, Masahiko Nozawa, Kei Sano, Yuichiro Maruyama, Munehiko Sugimoto, and Muneaki Ishijima
- 229 Factors associated with positive aspects of caregiving experiences among family caregivers of persons living with dementia in Taiwan: A cross-sectional study**
Yan-Ru Lin, Hsiu-Li Huang, and Chien-Liang Liu
- 258 Social withdrawal in Parkinson's disease: A scoping review**
Soojung Ahn, Kristen Springer, and Jessie S. Gibson
- 274 Six-month change in gait speed to discriminate between those with and without falls history in older people with Mild Cognitive Impairment and mild Alzheimer disease**
Fernando Arturo Arriagada Masse, Juliana Hotta Ansai, Renata Carolina Gerassi, Carolina Tsen, Natália Oiring de Castro Cezar, and Larissa Pires de Andrade
- 287 Frailty among older Hispanics living in the United States: A scoping review**
E. Iriarte, R. Cianelli, J.P. De Santis, M.J. Baeza, A. Alamian, J.G. Castro, Y. Matsuda, and A.X. Araya
- 296 Attitudes toward Alzheimer's disease and dementia caregiving and health outcomes: Racial and ethnic differences**
Eun-Ok Im, Hee Jung Kim, Seo-Yun Kim, Yun Chan Yau, Glenna S. Brewster, and Wonshik Chee
- 303 Effect of horticultural activities on quality of life, perceived stress, and working memory of community-dwelling older adults**
Hui-Shan Chan, Hui-Ying Chu, and Mei-Fang Chen
- 315 General self-efficacy and frailty in hospitalized older patients: The mediating effect of loneliness**
Xuejia Li, Kaiqing Yang, Yangxin An, Min Liu, Chunyan Yan, and Rong Huang
- 327 Dyadic interventions in older people with chronic diseases: An integrative review**
Zhiyao Xiong, Yizhen Yin, Jingping Zhang, and Anni Wang
